

Some questions to ask when evaluating your SAM's growth

- Have you looked at your original goals?
 - What goals have you been able to meet?
 - What goals have you not been able to meet?
- Have you achieved your mission statement?
- Are you growing in the way you should?
 - Are you bearing fruit?
- Are you discipling others/building and growing leaders?
- Are you seeing people get more involved?
- Are you planning training activities for your leaders?
- Are your leaders called into leading or are they just filling a needed position?
- Have you had any problems or people who have caused problems?
 - Were you able to address it?
- Are you praying consistently for your ministry, its leaders, its present and future?
- Are you working with your churches staff/pastor in establishing some of your goals?
- Are some of your single adults moving into others parts of the church...in serving?
- Are you maintaining good communication with your church by asking for prayer and any suggestions?
