

# Green Lake Singles Retreat

## The Amazing Race

May 27-30, 2011

Memorial Day Weekend

**“...let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us.”  
Hebrews 12:1 (NIV)**

**Running the race can seem more than we can handle at times.** Come be encouraged on how to finish the race well. How do we “throw off” things that “hinder” us? Let’s explore this together in four general sessions with inspiring praise and worship.

You will also find time to get to know other singles, enjoy topical group discussions, and experience great free time to relax and renew your body, mind, and spirit during Memorial Day Weekend.

#### Featured Speaker: Rebecca Reeves

Rebecca has a degree from Dallas Baptist University in Business and Christian Ministry. She also holds a Master of Divinity from Bethel Seminary. A native Texan, Rebecca is happy to call Wisconsin her home now. She

has coordinated four singles conferences at Green Lake Conference Center, where she works in the marketing department. Helping others have a great retreat so they can experience a closer walk with God is a vital part of her ministry. She has also been a guest speaker at other singles events in Wisconsin and Iowa.

Rebecca says, “God has been giving me strength to “persevere” through the race by gaining insight from Scripture, other’s preaching, and life’s lessons. I have learned the importance of knowing the Truth so I will not stumble over the obstacles of being deceived by false teachers and false prophets. I am convinced it is time for me to share with others this powerful message of hope.”
