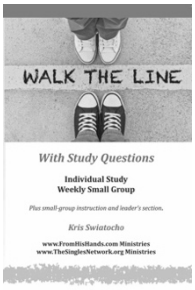
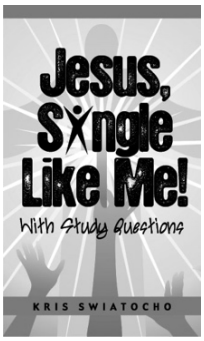
Relentless Love: Encouraging Words for Life's Journey *by Pastor Freddy Johnson*
An 8-week Devotional Bible study including questions for self-reflection or group discussion. We all face times when we can use some encouragement. Relentless Love is an outpouring of God's love in my life as I have heard and read what others have said, but most importantly, from studying His Word. It can be used as a daily devotion or for a small group Bible study. It is not intended to be in-depth but to stimulate you to think about how God wants to encourage you in each reading. I pray that Relentless Love will be a tool God will use to encourage you as you journey through life!



Walk the Line Bible Study *by Kris Swiatocho*
This is an 8-week Bible study for single or married adults, whether alone or in a group. It is designed to help participants understand the subtle differences between words we often use. Words like "happiness and joy" and "accountability and judgment." These words are frequently used interchangeably, but they are quite different. When discussed and broken down, these words reveal their true meanings (e.g., "self-focused" versus "other-focused").



Jesus, Single Like Me Bible Study *by Kris Swiatocho*

Even amid the storms of single life, Jesus demonstrates the victory of being single and God's purpose in it.
